Subject: Application for the position of Software Engineer

Dear Hiring Manager,

I am writing to express my interest in the Software Engineer position at Infosys, Bangalore. I am currently pursuing my studies in computer science and have developed a strong foundation in programming, data structures, and software development. I am eager to apply my skills and knowledge in a professional environment like Infosys, which is known for its innovation and excellence in the IT industry.

During my academic journey, I have gained hands-on experience in programming languages such as Java, Python, and C++. I have also worked on projects involving machine learning, web development, and problem-solving algorithms. These experiences have helped me develop analytical thinking, teamwork, and the ability to adapt to new technology quickly.

I am particularly interested in Infosys because of its commitment to delivering high-quality solutions and its focus on continuous learning and employee growth. I am confident that my dedication, technical skills, and willingness to learn will allow me to contribute effectively to your organization.

I would welcome the opportunity to discuss how my skills and interests align with your requirements. Thanking you for considering my application. I look forward to your positive response.

Thanking You

Priyanshu Bhatt
